

REMARKS

This paper is filed in response to the Office Communication dated March 21, 2004. In that communication, the Examiner alleged that the amendment filed on October 25, 2004 was non-compliant under 37 C.F.R. §1.121(d) because the replacement drawings were not labeled as replacement drawings.

Appropriately labeled replacement drawings (4 pages) and a replacement "Amendments to the Specification" are provided herewith.

If a telephone conference would expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (510) 337-7871.
